About Me

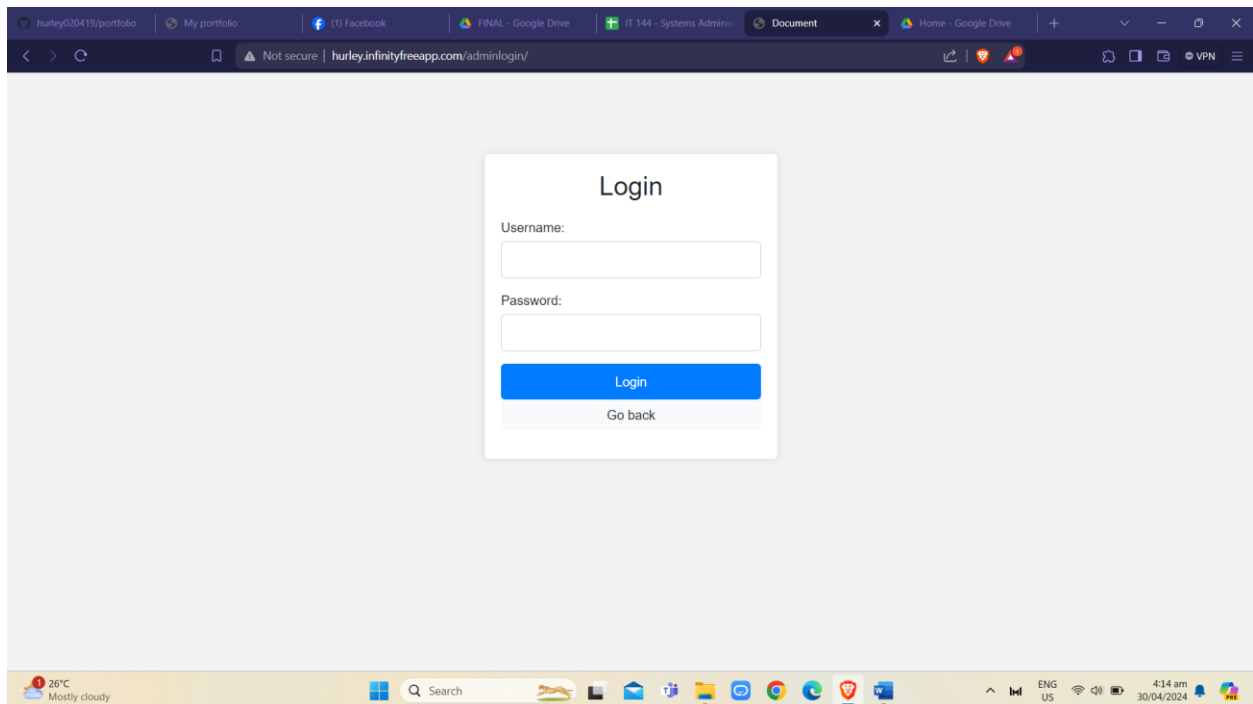

Hi i am Hurley Dave S. Hamac a web developer who specializes in the creation, maintenance, and improvement of websites and web applications. including coding, programming, and implementing functionality.

"I am a senior high school graduate in Information and Communications Technology (ICT) under the Technical-Vocational-Livelihood (TVL) Strand, and I hold a National Certificate Level 3 (NC3) in Animation. Currently, I am pursuing a college education at Western Mindanao State University (WMSU) in Zamboanga City, taking up a course in Information Technology (IT)."
